#### ALEXANDER THE GREAT

Finally, after several years of absence, were back at the Greek Festival – Paniyiri. It is a very exciting time for us and we are proud to represent the Greek Macedonians of Queensland.

With your support, this event will be a success. As we are a not for profit, community association, all of our volunteers work tirelessly to ensure success of any function we host. This year, we have decided to have representation at the Paniyiri by becoming stall holders and helping to continue the hard work started by our predecessors.

As you may be aware, the Paniyiri festival is the largest multicultural annual festival in Queensland and we normally achieve attendances in excess of 50,000 people.

We kindly request your support by way of a sponsorship to help us make the event a successful one. Your business will proudly be displayed by all our volunteers over the course of the festival and thousands of people will see your branding as our volunteers work in our stall and walk through the festival.

There are 3 levels of sponsorship available and there are limited spaces available. The sponsorship will be via a logo printed on a shirt to be worn by our volunteers.

#### **Platinum Sponsorship: \$1000 Large Full Colour Logo**

(2 available sponsorships)

#### **Gold Sponsorship: \$500 Medium Full Colour Logo**

(4 available sponsorships)

#### **Silver Sponsorship: \$250 Small Full Colour Logo**

(6 available sponsorships)

Please note: in all cases your brand will be represented professionally and printed in full colour. Sizing will depend on the level of sponsorship you choose and we will require an electronic copy of your logo and payment no later than the 29th of March. We will also wear our shirts for our other events including our community family fun days and picnics with hundreds of people in attendance.

For more information please contact Nick Karanicolas 0431 086 722 or the committee member that sent you this correspondence.

Your support is appreciated and I look forward to seeing you at the festival.

Regards

Nick Karanicolas  
President – Pan Macedonian Association of Queensland
